ABDUL WALE KHAN UNIVERSITY MARDAN
Editor's Note

I feel pleasure to present the Second Issue of AwKUM Newsletter. The letter is the telltale of the events and activities highlighting the achievements of Abdul Wali Khan University Mardan from May to December 2012. The reader may enjoy reading and updating himself how the University started its administrative and academic journey from zero point in 2009 to its steep rise-to-laudable heights-within a short period of almost three and a half years. The story of its phenomenal achievements would admittedly go down into the annals of Higher Education.

I feel personally obliged to thank in general all those who assisted me in any way in the provision, collection of data, compilation, designing and publishing of the Newsletter. My thanks are due to the Office of the Vice Chancellor particularly Mr. Muhammad Ijaz Arbab and Mr. Arsh Ravi for the provision of certain significant stuff. Mr. Abid Mehmood, Media Section, provided data and his counsel and suggestion helped me a lot. The administrative assistance of Mr. Muhammad Tariq, Mr. Ibrar Hussain, Mr. Ayaz Khan, Mr. Tariq Mehmood and Mr. Asfandiar facilitating our weeklong sitting including Saturday and Sunday, gave the needed boost to the compilation and composing of the Newsletter, is worth appreciation I am extremely grateful to the faculty and staff of the Department of English for any of their assistance.

I owe Mr. Rafeq Nawab a great debt of gratitude for his untried and sincere assistance that he held-out day and night and to mention the last but not the least, was the driving force of the Honourable Vice Chancellor Prof. Dr. Insaan Ali that facilitated and expedited the publishing of belated Newsletter. Very many thanks, Sir!

Hope going through the pages will be a very pleasing experience!
Looking forward to receiving any feedback on this Newsletter.

International Museum Day Observed - May 18, 2012

The International Museum Day was observed on the 18th of May 2012 in the Museum of the Department of Archaeology & Ethnology, Abdul Wali Khan University Mardan. Since 1977, 18th May is marked as International Museum Day throughout the world every year. The purpose of the celebration of this day is to sensitize the masses about the importance of museums. It is actually an institution that offers a large variety of knowledge on history, archaeology, cultural heritage, contemporary art, natural history, anthropology, ethnology and oral traditions etc. This year, the museum community celebrated the 35th anniversary of this event under the theme: “Museums in a changing world, new challenges, and new inspirations”. On this occasion, the Acting Vice Chancellor, Abdul Wali Khan University Mardan, Prof. Dr. Saeed Anwar was the chief guest and he visited the museum. In his speech on the occasion he said that Museum played a vital role in the development of a society. As a progressive nation, we must not forget our past and Museum was the only place that protects and preserves our history for the generations to come. He suggested that the study of museum (museology) should be included in the curricula in school and colleges so that the scope of research can be expanded to our youths; thus opening new vistas of employment in future.

First Meeting of MPH Department AWKUM August 08, 2012

Fourth Board of Studies Meeting was held in The Department of Islamiyat, Main Campus, AWKUM August 28, 2012

Meeting at Timergara Campus- Sharing Experiences June 29, 2012

An experience sharing meeting was held in the office of the Coordinator, Timergara Campus, AWKUM, on June 29, 2012, presided by Dr. Muhammad Naeem, and attended by the HOD’s and Faculty Members of Palosa, Anbar, Shankar & Timergara Campuses.

Department of Education AWKUM 4th Board of Studies Meeting October 11, 2012
With the pursuit of quality education in view the Vice Chancellor Prof. Dr. Ihsan Ali is keenly interested and endeavoring hard, first to secure and then to grant scholarships to the faculty for higher studies. To realize the vision almost 35 scholars of AWKUM are pursuing their PhD studies in different Universities of The World. A Progress Review meeting was held at Birmingham, UK on October 13, 2012. All the scholars presented their Progress Report to the Vice Chancellor. The Vice Chancellor was accompanied by Project Secretary Mr. Arshur Rahman. Problems of the individual scholars were heard and discussed. The Vice Chancellor issued directives on the spot to resolve the problems.
Seminar at Anbar Campus Swabi On Mosquitoes And Public Health May 17, 2012

Speaker: Dr. Asad Ali, Assistant Professor Faculty of Agriculture

Venue: Main Auditorium Anbar Campus Swabi Thursday, 17th May 2012

All students and staff members of Anbar Campus AWKUM attended this informative session about “Mosquitoes and their Impact on Human Health” with special reference to Dengue Fever which is talk of the town these days in Pakistan.

One day workshop on “Implementation of Plagiarism Policy at AWKUM” May 17, 2012

The QEC Abdul Walli Khan University Mardan organized a one day workshop on “Implementation of Plagiarism Policy at Abdul Walli Khan University Mardan” on May 17, 2012. The Deputy Director QEC AWKUM welcomed the participants, Mr. Shah Husain Awan (DD QEC) and Dr. Zahoor Jan (Focal Person for detecting plagiarism at AWKUM) gave a detailed and comprehensive presentation on plagiarism policy at institution level. A detailed session on the use of Turnitin took place. The director QEC Dr. Said Khan Khalil who chaired the session gave a comprehensive lecture about the policy. He stressed on the functions of QEC, including implementation of Plagiarism Policy. He said, “QEC is responsible for promoting public confidence that the quality and standards of the award of degrees are enhanced and safeguarded. QEC has to assure the standards of quality through implementation of Plagiarism Policy. Launching this policy our research activities would be standardized according to international standards. We would extend this policy to each and every faculty and I am confident that a day will come where every assignment would pass through anti plagiarism software, Insha’Allah”.

Dr. Ehsan-ul-Haq Senior Scientific Officer (NARC) Islamabad presented a seminar on “Role & Future of Biological Control in Integrated Pest Management (IPM)” at Abdul Wall Khan University Anbar Campus, Swabi. Coordinator Anbar Campus Professor Dr. Mukhtar Alam welcomed the speaker. The speaker shared his experiences for controlling the epidemic pests through biological means. He highlighted the commercial prospects of biological agents in the field of Agriculture and emphasized that insect/pest should be controlled through biological agents instead of insecticide spray. Moreover, he added that by IPM, we cannot only save money but also can protect our environment & public health from residual effects of hazardous pesticides. There was a healthy discussion among the students, faculty members and the guest speaker on various aspects of biological control. At the end the valuable speaker promised that his lab at NARC would provide the facilities, free of cost for practical training of the students of Abdul Wall Khan University Mardan. The speaker also distributed the printed materials about his experiences of “Biological Control of Insect Pests in Pakistan”. He also visited the Agricultural Experimentation Block of Anbar Campus and advised on spot recommendations for the control of insect/pests of Maize, Sunflower and vegetables.

Dr Muhammad Azam Presented his Paper

Dr Muhammad Azam, Chairman, Department of Management Sciences, Abdul Wall Khan Mardan (Palosa Campus Charsaada) presented a paper in Value 2012 Conference from May 27-30, 2012, organized by the Faculty of Economics and Financial Sciences, University of Johannesburg, South Africa.

Workshop on Assessment Team Report Writing May 30, 2012

A one day workshop on “Assessment Team Report Writing” was organized by QEC at Main Campus Abdul Wall Khan University Mardan on May 30, 2012. Faculty members from seven departments and Deans of Abdul Wall Khan University Mardan attended the workshop. The workshop started with the recitation from the Holy Quran. Deputy Director QEC Mr. Shah Hussain Awan welcomed the participants and introduced the resource person. Madam Mehwish Asmatullah from Shaheed Benazir Bhutto University formerly Frontier Women University (FWU) Peshawar conducted the workshop.

Vice Chancellor Prof: Dr. Ihsan Ali Awarding Certificates to the Participants of the Workshop

Senior level Strategic Management workshop (June 13-14, 2012) for HODs of Abdul Wali Khan University Mardan was organized by HEC under Modern University Governance Program for University Management (MUG) concluded on June 14, 2012 at AWKUM Mardan. Dr. Mary Linda Armacost (Former President of Two American Universities) and Dr. Syed Tahir Hijazi (Former Vice Chancellor of University of Central Punjab) were the resource persons of the Workshop. The purpose of this workshop was to equip participants with basic principles, processes involved in strategic planning, barriers to Strategic Planning at AWKUM & Strategies for overcoming them. The participants shared Vision, Mission statements and goals with Resource Persons and designed Strategic Action Plans for departments, taking into consideration the barriers to overcome. Addressing at the concluding ceremony of the workshop, the Vice Chancellor Prof. Dr. Ihsan Ali appreciated HEC Programs & Initiatives regarding University Governance and thanked Chairperson HEC Dr. Javeid R. Laghari, Executive Director Prof. Dr. Sohail H. Naqvi and Director General LID Ms. Noor Amna Malik for their exclusive support and provision of training opportunities at universities doorstep especially to new emerging universities like AWKUM. He requested HEC authorities to organize such training programs for the Faculty Members and Administration so that they could be equipped with latest teaching methodologies & Governance tools. Mr. Talat Khurshid (Advisor Academics) and Ch. Shahram Atta (MUG Program Coordinator) from Higher Education Commission were also present at the concluding ceremony. In the end certificates among participants were distributed by the Vice Chancellor AWKUM Prof. Dr. Ihsan Ali, Mr. Talat Khurshid (Advisor Academics) and Ch. Shahram Atta (MUG Program Coordinator).

Four Days Training Workshop

Mr. Asher Samuel Bhatti Chairman Department of Geology, Abdul Wali Khan University, Mardan successfully completed four days training workshop on “Electrical Resistivity Surveys and Computer Modeling for Ground Water Investigation” from June 21-24, 2012, on the request of Khyber Pakhtunkhwa Agriculture University, Department of Water Management. Prof. Dr Muhammad Jamal Khan, Chairman Department of Water Management and Mr. Asher Samuel distributed course completion certificates among the scholars.

One Day Seminar On “Net as Threat” At Buner Campus

One day seminar was held at Abdul Wali Khan University Mardan. Buner Campus on “Net as Threat", conducted by Chairman Department of Computer Science Mr. Wisal Muhammad Gigyani.

One Day Seminar on “Effects of Global Warming on Human Life” at Buner Campus

One day seminar on “Global Warming” was held at Buner Campus Abdul Wali Khan University Mardan, headed by Major Arshad, Coordinator Buner Campus. Wisal Gigyani, Chairman Department of Management Sciences and a large number of students participated in the seminar. Chairman, Department of Zoology, Shah Roz Khan elucidated the causes of increasing heat on the earth and its effect on human life. He specially dwelt upon the decreasing water level and answered different questions asked by the students. He further said in case the heat goes on increasing at the current rate, it would render life on the earth difficult.

May-June
September-October, 2012

The Faculty and Administrative staff of Abdul Wali Khan University Mardan attended comprehensive training workshops at the University of Oxford in two phases, first in the month of May-June and second in September-October 2012 respectively. The Participants were imparted knowledge/information in the training workshop by the key note speakers on the following topics:

- Advanced Communication Skills in the HE Environment.
- Communication Skills for office Administration in the HE System
- Structure and Management of UK HE System
- Curriculum Development
- Finance
- Planning & Development
- Recruitment / Record Keeping
- Academic Bodies / Accreditation Bodies
- Funding
- Office Administration
- Oxford University / Said University / Oxford Union Visit
- The Origins and Historical Background
- Structure of the University - the College System
- The Educational System - Tutorials
- Faculties and Libraries
- Application to the University and Entrance Exams
- Qualifications and Graduate Work
- Funding; Sources and Changes
- Internationalization of the University
- New Developments and the Future

Participation in International Conference - July 04-05, 2012

Mr. Shaukat Ali Khattak, PhD scholar at Lancaster University, UK participated in a Conference “UK Semiconductors 2012” (An annual conference of all Aspects of Semiconductor Research) held at University of Sheffield UK on 4th & 5th July 2012. The Conference was attended by learned researchers of UK and International Universities.

Mr. Shaukat Ali Khattak presented a poster in the Conference in which he showed his own results obtained by his experimental work on the topic of "Properties of Exactions in Strain-Engineered InAs/InGaAs/GaAs Metamorphic Quantum Dots for Long Wavelength (1.3 to 1.55 μm) Emission" which have interesting applications in lasers and telecommunication devices for fast data transferring at low attenuation. The poster and results were explained to many visitors and were highly appreciated.

Summer School at France - August 26 to September 15, 2012

Mr. Shaukat Ali Khattak, PhD Scholar at Lancaster University UK, participated in three weeks Summer School "European School On Nanosciences & Nanotechnologies " from 26 Aug to 15 Sept 2012 at Grenoble, France. The School was organized by:

1-Université Joseph Fourier (UJF) and
2-Grenoble Institut National Polytechnique (Grenoble INP)"

With the following co-organizers:

1-CNRS, Centre National de la Recherche Scientifique
2-CEA, Commissariat à l’Energie Atomique et aux énergies alternatives
3-Q-NET, Quantum Nanoelectronics Training Project

Fifty scholars were chosen from all over Europe to participate in the School. Mr Shaukat attended 51 hrs lectures & 7 practical on various aspects of Nanosciences & Nanotechnologies. The academic and practical courses covered aspects such as the elaboration, characterization and functionalities of nano-objects. The program emphasized the role of laboratory courses (half of the program was devoted to practical work). He had both oral and poster presentation on his project in the School.

CONFERENCE AT THE UNIVERSITY OF OXFORD - November 05, 2012

Mr. Amjad Khan, Scholar from Abdul Wali Khan University participated in MitOX 2012 Conference at the University of Oxford. The MitOX 2012 conference was held at the Wellcome Trust Centre of Human Genetics, the University of Oxford on November 05, 2012. Around 200 delegates, including scientists, doctoral and postdoctoral researchers of Bio-organic, Chemical Biology, Biochemistry and Medical Sciences, from the leading UK and EU Universities presented their research work. Mr. Khan has already obtained an M.Phil Degree in Organic Chemistry from Oxford and is currently pursuing a PhD degree in NMR Spectroscopy from Oxford on a Scholarship from Abdul Wali Khan University Mardan, Pakistan.
Three Days Training Workshop at Buner Campus

Three Days training workshop was held at Buner Campus on "Mass Casualty Management for community and health care workers". Three days (28th-30th Aug, 2012) training session was arranged at Buner Campus, Abdul Wali Khan University Mardan, in collaboration with MERLIN (NGO) International and Health Department Govt. of KP. Training was attended by all the Faculty and Administrative staff. Training Certificates were distributed by Maj(R) Arshad Sohail Coordinator Buner Campus.

Workshop Participation

Dr. Sahib Gul Afridi participated in a 4 days workshop titled “2nd Workshop on Real Time PCR 4-7 September 2012” organized by University Institute of Biochemistry and Biotechnology, Arid Agriculture University Rawalpindi with the financial support of HEC Pakistan. PhD Faculty and Scholars of different Universities from all over Pakistan participated in the workshop.

Workshop Attended

Dr. Momin Khan Department of Chemistry attended a two days training program on “Microteaching” as a Resource Person conducted at Sarhad University of Science & Information Technology, Peshawar on 19th and 20th September, 2012.

Seminar at Anbar Campus

Dr. Saeed-ul-Islam, Chairman, Department of Mathematics, Abdul Wali Khan University, Mardan / Director, Advanced Studies & Research conducted a Seminar at the main Auditorium Anbar Campus AWKUM on Tuesday October 02, 2012. He gave presentation on, “Sources of Funding for Research and Scientific Analysis”. The seminar was attended by the Faculty and students of the Campus.

Seminar at Buner Campus

A seminar was arranged on "Scope of Biology in Future Perspective" by the Department of Zoology Buner Campus AWKUM. The Seminar was conducted by "Shah Roz Khan, Chairman Department of Zoology Buner Campus. In the end Prof Dr Saleem Khan, Coordinator Buner Campus delivered a lecture on "Importance of Agriculture in Pakistan". All the faculty and students of the Campus along with students and staff of Biology of Govt. Degree College Dagger attended the Seminar.

One Day Research Workshop/Seminar - November 27, 2012

One day Workshop/Seminar on the "Challenges of the Present Age and the Responsibilities of Religious Scholars" was held in the Video Conference Room of Abdul Wali Khan University Mardan on November 27, 2012. It was organized by the Department of Islamic Studies for their M.Phil and Ph.D Scholars. Chairman Department of Islamic Studies and Arabic, Hafiz Salih-Ud-Din Haqqani along with faculty members and students were present on the occasion. Renowned religious Scholar, Director Monthly Alshariya Gujranwala, Secretary General Pakistan Shariat Council, Member Itehad Bain-ul- Muslimeen Committee Government of the Punjab, Ex Vice Chancellor Shah Waliullah University Gujranwala, Sheikhul Hadis” Allama Zaid-Ud-Rashidi” was the Guest of Honour. The Chief Guest presented a comprehensive and scholarly analysis of the challenges of the present Era and the responsibilities of Religious Scholars. In the out-set of his speech he thanked AWKUM, the Vice Chancellor Prof. Dr. Ihsan Ali and Chairman Department of Islamic Studies and Arabic Dr. Hafiz Salih-Ud-Din Haqqani for inviting him to the University. Referring to his attachment with the region, he mentioned his working experience with the veteran politician late Abdul Wali Khan. He spoke convincingly and gave references from the age of the Prophet (PBUH) and his Companions. He reiterated that neglecting Modern Challenges is imprudence. We cannot ignore the challenges rather we have to face them, treat them and try to overcome them. He emphasized upon the research Scholars to be meticulous and transparent to exercise proper care in their research because it concerns religion. Islam as a religion has the solution of all social, economic, political and international problems, he added. It is vital to progress in science, technological advancement and to be prepared for the Modern challenges. The speaker explained everything in a convincing way, and answered the questions asked, and appreciated the progress and development of AWKUM in such a short span of time. The seminar ended with a happy note and words of praying.
A one day workshop on “Self Assessment Report Writing” was organized by QEC AWKUM at Main Campus, Abdul Wali Khan University Mardan, on December 12, 2012. Program Teams’ Members from four different departments and Deans of Abdul Wali Khan University Mardan attended the workshop. The workshop started with recitation from the Holy Quran. Mr. Shah Hussain Awan Deputy Director QEC, welcomed the participants and introduced the resource person, Madam Asia Naz, Department of Education, AWKUM. The Deputy Director QEC conducted the workshop Prof Sher Ali Khan, Registrar AWKUM, chaired the workshop and acknowledged the efforts of the resource person. He addressed the session about the Self Assessment process at the departmental level and the role of Program Teams. He also stressed that Program Teams play a key role in improving the overall quality of education both at departmental and institutional level. He further stressed on the in time delivery of the SAR. In case of prompt reply from the Program Teams, the QEC will be able to facilitate Self Assessment process and coordinate efficiently with Quality Assurance Agency (QAA) of the Higher Education Commission (HEC).

**Video Conference**

US Consulate Peshawar organized a Video Conference on “Study in USA”. Students and faculty members of the Department of Management Sciences (Main Campus) participated in the video conference. Ms. Tammy Paltchikov (Public Affairs Officer, USA) provided guidelines to students regarding pursuing education in USA. She highlighted the hallmark of US education and discussed the academic eligibility criteria for admission to programmes offered in USA. She encouraged students to apply for higher studies in USA.

AWKUM Entrepreneurship Society Launched

Introduction:
It is a distinction of Abdul Wali Khan University Mardan to have established the first ever Entrepreneurship Society in the Province of Khyber Pakhtunkhwa. The initiative of establishing the Entrepreneurship Society was taken by the Department of Management Sciences (Main Campus) and started functioning on December 19, 2011.

Objectives and Aim:
The aim of the society is to produce future entrepreneurs, who would be able to run businesses on their own. The objective of the society is to develop innovative skills, broaden their thoughts and to make them financially independent. The Society provides a platform to the students, where they express their opinions and share their creative ideas. The society organizes different activities like workshops and seminars on entrepreneurship. These activities would bring awareness among the students regarding the concept and technique of entrepreneurship. The society also arranges business plan competition in the University and awards prizes and certificates to those who presents best business plans. Currently the society is running two projects, which are sponsored by Youth Engagement Services (YES) Network Pakistan. One of the projects is known as “Youth Social Enterprise Competition”, this competition has been launched to encourage students to become change-makers. Students are encouraged to think and act innovatively to bring positive change in their communities. The competition inspires students to find creative and innovative solutions to the most pressing problems of the society. The winning team will receive a seed funding i.e. Rs. 100,000 and technical support to implement their idea. The second project is “Show Your Creativity Competition”, the project inspires students to think creatively and innovatively to earn money and make a difference. Each student is loaned one thousand rupees and encouraged to make a social impact and profit as much as possible through enterprising activities during the course of two weeks.

Linkages:
The society is having linkages with several organizations like Mardan Chamber of Commerce and Industries, Youth Engagement Services (YES) Network Pakistan, British Council Pakistan, IBA Karachi, Comsats Pakistan.

Dr. Zahoor Jan Presented Paper in South Korea

Dr. Zahoor Jan Assistant Professor, Department of Computer Science presented his paper in IEEE-ICISA 2012 conference at Sowan South Korea. Dr. Zahoor Jan was also invited as the Keynote Speaker of IEEE-ICISA2012, Suwan, South Korea.

Pakhtunkhwa Journal of Life Sciences (PJLS) Launched - May 2012

Pakhtunkhwa Journal of Life Sciences (PJLS) Abdul Wali Khan University Mardan launched its first official Journal ‘Pakhtunkhwa Journal of Life Sciences’ (PJLS) in the month of May, 2012. The honorable Vice Chancelor Prof. Dr. Ihsan Ali is the patron, Dr. Muhammad Hamayun is the editor-in-chief and Dr. Nasrullah Shah is the managing editor of PJLS. PJLS is a peer-reviewed, multidisciplinary journal of life sciences. The journal covers various disciplines of life sciences, such as Biochemistry, Biomaterials, Biopolymers, Botany, Biotechnology, Cell Biology, Developmental Biology, Microbiology and Zoology etc. The journal provides a platform to the researchers and scientists working on diverse aspects of life sciences. This journal will publish full length original papers, short communications and reviews.

Miss. Mehwish Kundi Presented Paper in Malaysia

Dr. Muazzam A. Khan Khattak as HEC Registered Supervisor

Dr. Muazzam A. Khan Khattak, Chairman Department of Computer Science, UCSS has been recommended as HEC Registered Supervisor by the competent authority of HEC after scrutiny in the light of the eligibility criteria of HEC.

Entrepreneurship Society (Chitral Campus)

Entrepreneurship Society has been established at Chitral Campus under the supervision of Shehzad Khan, Lecturer, Department of Management Sciences (Main Campus). The purpose of the Society is to raise the interest for entrepreneurship and innovation among the students and common people. The Society also arranges inspirational lectures on entrepreneurial and innovational theme throughout the year. The Society provides a platform to students, where they express their opinions and share their creative ideas.
Mr. Shaukat Ali Khattak, PhD Scholar at Lancaster University UK

Mr. Shaukat Ali Khattak, PhD Scholar at Lancaster University, UK, participated in a Conference “UK Semiconductors 2012” (An annual conference of all Aspects of Semiconductor Research) held on 4th & 5th July 2012 at the University of Sheffield UK. The Conference was attended by profound researchers of UK and International Universities. Mr. Shaukat Ali Khattak presented a poster in the Conference in which he showed his own results delivered by his experimental work on the topic of "Properties of Exactions in Strain-Engineered InAs/InGaAs/GaAs Metamorphic Quantum Dots for Long Wavelength (1.3 to 1.55 μm) Emission" which have interesting applications in lasers and telecommunication devices for fast data transferring at low attenuation. Studentship Award

Mr. Ateeq Ur Rehman Lecturer Department of Computer Science, Shankar Campus and Scholar of AWKUM has received Research Studentship Award from the University of Southampton, UK, for higher studies in Computer Science.

Research Grant for Dr. Asnad

Dr. Asnad Assistant Professor, Department of Biochemistry, has been awarded a Research grant of PKR 0.5 million by the HEC against his project entitled "Utilization of locally available plants to control soil born pathogens, Mardan".

Research Grant for Dr. Salman Zafar

Dr. Salman Zafar Assistant Professor, Department of Chemistry, has been awarded a Research grant of PKR 0.5 million by the HEC against his project entitled "Phytochemical investigation of Olea ferruginea".

Achievement of Quality Enhancement Cell

The QEC AWKUM has secured 84% score in Phase (IV) of the QEC's of QAA, HEC. Being a newly established University, it is a great achievement for us but it is not the end, still we have a long way to go. We are thankful to the Worthy Vice Chancellor Prof. Dr. Ihsan Ali for his keen interest and support in facilitating the QEC activities to bring about quality change in the education of KP particularly and Pakistan generally. We are also thankful to all Deans and all HODs of the faculties of Abdul Wali Khan University Mardan for their generous cooperation in achieving the best ranking. We hope that this support may continue to improve our ranking in the days to come, Insha’Allah.

Nomination - Dr. Muhammad Hamayun

Dr. Muhammad Hamayun, Principal University College of Science, Shankar, has been nominated as editor of Journal of Botany (ISSN: 2090-0120) published by Hindawi Publishers.(http://www.hindawi.com/journals/jb/editors/). Dr. Muhammad Hamayun is currently Editor of 11 International Research Journals. List of these journals is appended.

01. Editor in Chief, Pakhtunkhwa Journal of Life Science (ISSN: 2304-8182)
02. Associate editor, Journal of Medicinal Plants Research (ISSN: 1998-0875)
03. Editor, Journal of Botany, Hindawi Publishing Corporation (ISSN: 2090-0120)

06. Editor, Biotechnology, An Indian Journal (ISSN: 0974-7435)
07. Technical editor & reviewer, International Journal of Botany (ISSN: 1811-9719)
08. Technical editor & reviewer, Asian Journal of Plant Sciences (ISSN: 1812-5697)
09. Technical editor & reviewer, Journal of Agronomy (ISSN: 1812-5417)
10. Technical editor & reviewer, Journal of Biological Sciences (ISSN: 1812-5719)
11. Editor, Korean Journal of Life Science (ISSN: 1225-9918)

Paper Accepted

Dr. Muhammad Hamayun, Principal University College of Science, paper titled "Endophytic fungi produce gibberellins, indole acetic acid and promote plant growth during stress” has been accepted for publishing in the Journal “Molecules”. Out of these 100 papers, 86 papers have been published in foreign journals and 07 papers in HEC recognized Pakistani Journals. Cumulative impact factor of Dr. Muhammad Hamayun is more than 88, which is highest in Khyber Pakhtunkhwa in the discipline of Plant Sciences.

Biography Published

Biography of Dr. Muhammad Hamayun Principal UCSS/Chairman Department of Botany has been published in the 50th Pearl Anniversary Edition of ‘Who’s Who in the World’by Marquis Who’s Who, USA. Earlier, Dr. Muhammad Hamayun biography was published in the 27th Edition of ‘Who’s Who in the World’ in 2009. Marquis Who’s Who is the world leading biographers and they publish biographies of the leading achievers from around the world.

AWKUM SPORTS

Sports and exercise play an important role in our life as it helps us to remain fit and live longer. The importance of sports in education can be gauged by the way it helps in inculcating values such as dedication, discipline and responsibility in children and adults alike, at the same time teaching them many relevant lessons. AWKUM encourages such sports activities and different events are arranged regularly for both male and female students. Here are the glimpses of the sports activities held at AWKUM.
